Dear Judge Parker,

I am writing to you as a concerned Tennessean regarding Senate Bill SB003 outlawing drag queen shows for underage children in my state. This bill was written and designed to protect our children who cannot protect themselves due to their immaturity. Drag queens and their immoral shows invade the innocence of children exposing them to sexual images and movements that leave lasting impressions not easily eradicated if it's even possible to eradicate them! I know because I was exposed to porn at age 9. I still have visual memories of the ugly things I saw on those films. I'm now 62 yrs. old. They still haunt me. Thus I advocate for sexual purity for today's children! Adults have the liberty to go watch drag queens and their shows. They have enough of an audience in adults 18 and over. Their 1st Amendment rights are NOT infringed upon!

Please protect our children!

Respectfully,

Dianna Cantrell Whitehead
